Ordering Instructions for enzymes and probiotics.

Thank you for your interest in the supplements offered by U.S. Enzymes, Master Supplements, and Tomorrow's Nutrition PRO. With the guidance of your Healthcare Professional you now have access to these powerful products. Simply follow the directions below and send any questions to your practitioner or us directly at: info@usenzymes.com

- 1) Click or enter the following link: <https://bit.ly/2QR9I9k>
- 2) Access the log-in page by clicking on icon of a person in the upper right corner.
- 3) On the log-in page, scroll to the bottom and select the option 'register', (Note: this process will only need to be done once, for subsequent orders you will simply log-in with your e-mail and password.)
- 4) The next page is blocked to the public so you will need the **password**: **USE777** to move forward.
- 5) Complete the form by entering your name, e-mail and password, then click 'register'.
- 6) Click on: "I'm not a robot"
- 7) You will now have access to the website and can simply choose the desired products and proceed through the checkout process.
